

MODERN CASH SOLUTIONS FOR BUSINESS ESCROW

TAKE THE RISK OUT OF SALE AND PURCHASE AGREEMENTS

Expert Escrow Management [EEM] is a Modern Cash solution to complex and costly business escrow services.

EEM serves as Escrow Agent to hold funds until all contractual obligations are fulfilled- safeguarding funds and instilling confidence in all involved parties.

With over 15 years of experience, EEM is a specialized and trusted Escrow Agent providing a seamless and simple process.

WHY EEM ESCROW

- **SECURITY** – Access to FDIC/NCUA insurance for all funds for the duration of the project
- **FULL-SERVICE** – EEM can produce a draft agreement within 1 business day, removing the need for legal fees
- **SIMPLE SOLUTION** – Easily access transaction activity via the secure online portal
- **DISTINGUISHED CUSTOMER SERVICE** – Real people to answer your call and assist you

“*I have found Expert Escrow Management an **invaluable resource** for helping with our business brokerage transactions.*

This is now my go-to company to use when attorneys are not holding and managing funds.

They offer extended FDIC insurance and are incredibly timely and responsive, adding another layer of seamlessness to our transactions.
